Present: Craig Hunt, Mike Thomas, Mike Wilson, Kyle Foust, Collin McBride, Joseph Ball, Noah Sgambellone, Jeff Young, and Amanda Hike.

Joseph Ball discussed with the Board an issue he has been having with a property he owns on Park Avenue. He hired a surveyor to survey the property and the new surveyor discovered the original surveyor had made a mistake and the property line was extended beyond what the property description stated. He asked the Board if they would have a problem with moving his fence that now extended beyond the actual property line onto the neighboring property before, he tied up too much money into it. Trustee Gleisinger responded that the issue would really be between him and the adjacent property owner.

Trustee Gleisinger updated the Board on the Madison Co-operative Paving Agreement. It is not quite finished and will be brought to the Board once it is ready to sign.

Trustee Gleisinger read a proclamation to make June 30th William Scott day in Springfield Township. William Scott resigned as Zoning Inspector after working for Springfield Township for 16 years providing consistency and leadership to the Township.

Trustee Gleisinger proposed two resolutions to proceed with the submission to the electors of taxes in excess of the Ten-Mil limitation.

Resolution #104-2024: Trustee Gleisinger moved for the adoption of the following Resolution:

Whereas, on the 28th day of May, 2024, this Board adopted a resolution determining to submit to the electors of Springfield Township, Richland County, Ohio, described below, a copy of which resolution was certified to the County Auditor of Richland County, and whereas the property tax revenue that will be produced by the stated millage, assuming the taxable value of the subdivision remains constant throughout the life of the levy, is calculated to be \$429,000.00. (2) The total taxable value of the subdivision used in calculating the estimated property tax revenue is \$414,886,620.00. (3) The millage for the requested levy is 1.5 mills per \$1 of taxable value, which amounts to \$53.00 for each \$100,000 of the county auditor's appraised value. Now therefore, be it resolved by the Board of Springfield Township Trustees of Richland County, Ohio that this Board desires and determines to proceed with the submission to the electors of the question of levying a tax in excess of the ten-mill limitation for the benefit of Springfield Township, Richland County, Ohio, for the purpose of providing and maintaining fire apparatus and appliances, buildings, or sites therefor, or sources of water supply and materials therefor, or the establishment and maintenance of lines of fire alarm telegraph, or the payment of permanent, part-time, or volunteer firefighters or fire-fighting companies to operate the same, including the payment of firemen employer's contribution required under Section 742.34 of the Revised Code, or to purchase ambulance equipment, or to provide ambulance or emergency medical services operated by a fire department or firefighting company pursuant to R.C. 5705.19(I), at a rate not exceeding 1.5 mills for each one dollar of valuation, which amounts to \$0.53 for each one hundred dollars of valuation for five (5) years, and which levy is a renewal of an existing levy. The question of approving the levy shall be submitted to the electors of Springfield Township at the election to be held on the 5th day of November, 2024 and that said levy be placed on the tax lists of the current tax year, commencing in 2024, first due in the calendar year 2025 in compliance with the provisions of ORC 5705.34, if a majority of the electors voting therein vote in favor thereof. The Fiscal Officer of this Board is directed to certify a copy of this resolution to the Board of Elections of Richland County, Ohio, not less than ninety days before the election, and notify said Board of Elections to cause notice of election on the question of levying said tax to be given as required by law. It is found and determined that all formal actions of this Board concerning and relating to the adoption of the resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and any of its committees that resulted in those formal actions were in meetings open to the public, in accordance with the law.
