JOB POSTING

December 2021

Springfield Township Fire Department is currently accepting internal and external applications for a part-time maintenance technician. This position will remain open until filled.

Purpose of position

Conducts preventative maintenance and repairs for all departmental vehicles, fire related equipment, and department facilities. The maintenance technician is responsible for mechanical work, repair, and maintenance or scheduling of apparatus, equipment, or facilities of the fire department. In addition, this position will establish priorities on repairs, diagnose problems, and perform repairs/preventative maintenance.

Requirements

Function as a part-time firefighter, per part-time firefighter job description. Must have a high school diploma or equivalent supplemented with vehicle and equipment repair courses. Membership in and regular attendance at Ohio Association of Emergency Vehicle Technicians (OAEVT) or related schooling is highly encouraged.

Procedure

Provide a part-time application (external candidates only), letter of intent, current resume, and list of references to Chief Carey.

The candidates will be reviewed and those individuals meeting the job requirements will be scheduled for interviews.
